

Residence hall 1 is a five-storied brick house built in 1962, in 30 minutes of a drive from the campus. On a floor there is a passage with 26 rooms to the sides of it, two kitchens, two washrooms, two toilets. Shower rooms are in the basement floor. There is a room for students' unsupervised studying, a gym for aerobics, and a room for washing clothes. In the building there is a drugstore.

Residence hall 2 is a nine-storied brick house built in 1975 and situated close at the campus. On a floor there are six sections with four rooms each, two two-bed rooms and two three-bed rooms respectively. In each section there is a toilet, a shower, and sinks for washing. On each floor there are two kitchens, a hall, and a room for washing clothes.
