

NEW Programme for our Fall Semester 2020 with our Ecole de langue et de civilisation françaises :

French language Immersion Programme: ADI - Année d'immersion

Meant for exchange students who have an **A2 French level** and who chose French as a foreign language as part of their academic cursus. **One or two semesters*** will allow you to improve your French level through linguistic and cultural courses and reach at least the level B1.

**preferably our Fall Semester / September to February*

Registration is mandatory. There are a limited number of spaces. A placement test will take place 2 weeks before our Fall semester begins.

Study Plan

General language skills – 36 credits/year	Specific language and cultural skills – 18 credits/year
Courses: written work -grammar – oral work Practical work: pronunciation and language lab	Language skills improvement and sociological and intercultural aspects related to integration in Geneva and the wider “Francophone world”

Interested students might register by stating in their study plan that they wish to register to the ADI/Année d'immersion Programme.
