LINGUISTICS UNIVERSITY OF NIZHNY NOVGOROD
RUSSIAN LANGUAGE INSTITUT

If you are interested in studying Russian, **LUNN** is one of the best places for it! The basic method is learning Russian in communication: every day you speak, read, listen, write, and even think in Russian!

LUNN has over a hundred years tradition of teaching foreign languages and the Russian language. It is important to study several languages at once because they help you better understand each other. We will also help you to learn Russian using your mother tongue.

Russian Language Institute offers original programs and materials which are developed by its professors.

Nizhny Novgorod is

- a famous ancient Russian city
- called “the third capital of Russia” after Moscow and Saint-Petersburg
- only 4 hours on a train or 50 minutes on a plain from Moscow
- with a lot of historical and cultural highlights
- one of the FIFA 2018 cities
- having both the features of a capital and those of the Russian traditional living place
- with universities famous for their education quality, one of them – **LUNN** offering **over 17 foreign languages** and many opportunities to study Russian, of course

You study Russian not only in classrooms!

The image shows the exterior of a multi-story building with a light-colored facade and many windows. A prominent feature is a horizontal band of yellow and grey panels across the middle. On this band, the Russian text 'ЛИНГВИСТИЧЕСКИЙ УНИВЕРСИТЕТ' is visible in large, raised letters. Overlaid on the image is the word 'WELCOME' in a large, red, hand-drawn font. Below it, the words 'to', 'Russian Language Institute', and 'and to Nizhny Novgorod!' are written in blue and black fonts. The building's entrance area is visible at the bottom, featuring glass doors and stone pillars.

WELCOME

to
