

Nominations and submission of documentation will take place **between 5th April and 17th May**.

Partner universities will formally nominate the students and then send an email to alumno.visitante@uca.es with the students' personal details (name and surname, email address and area of knowledge). The University of Cádiz will send an email to nominated students with a link to the online platform, through which the exchange procedure will be managed.

Documents students need to prepare: *Passport and certificate of minimum B1 level of Spanish of the Common European Framework of Reference for Languages (CEFR)*.

Students of the Degree in Medicine: International Mobility cancelled for the academic year 2022-23.

All information about exchange students is available in:
