Study Programmes

We put bachelor students (and master students who have no master programme at choice*) in the **diploma** program IWW - Internationale **Wirtschaftswissenschaften** / International Economic and Business Studies - which is on master level – and the range of (international) modules is bigger.

Your university (Linguistics University of Nizhny Novgorod) has **agreements** for their students to study the following programmes at the **Faculty of Business and Management**:

Yes = programme available

NO = programme not available for exchange students from Linguistics University of Nizhny Novgorod .

Yes	Diploma Programme: IWW-International Economic & Business Studies
No	Master: Accounting, Auditing & Taxation
No	Master: Applied Economics
No	Master: Banking & Finance
No	Master: Organization Studies
No	Master: Strategic Management (Management, Marketing, Tourism)
No	Master: Information Systems
No	Master: Business Education (in German only)

* Master students

Business / Economic modules are offered in the fourth year of the diploma study programme **IWW - „International Economic & Business Studies“** and hence are **equivalent to first year master modules.**

Therefore we run master students to those we can not offer a master programme - because there is no agreement available or places are booked out - to apply for the diploma study IWW.
Many master students took this alternative successfully in the past.

Modules / Courses - System at the Faculty of Business and Management

The University of Innsbruck - Faculty of Business and Management offers a modular course system at different levels. The module system below is **new** and was introduced 2019/20. It might be not easy to understand but **the module system will be exactly explained in the introduction - so do not worry!**

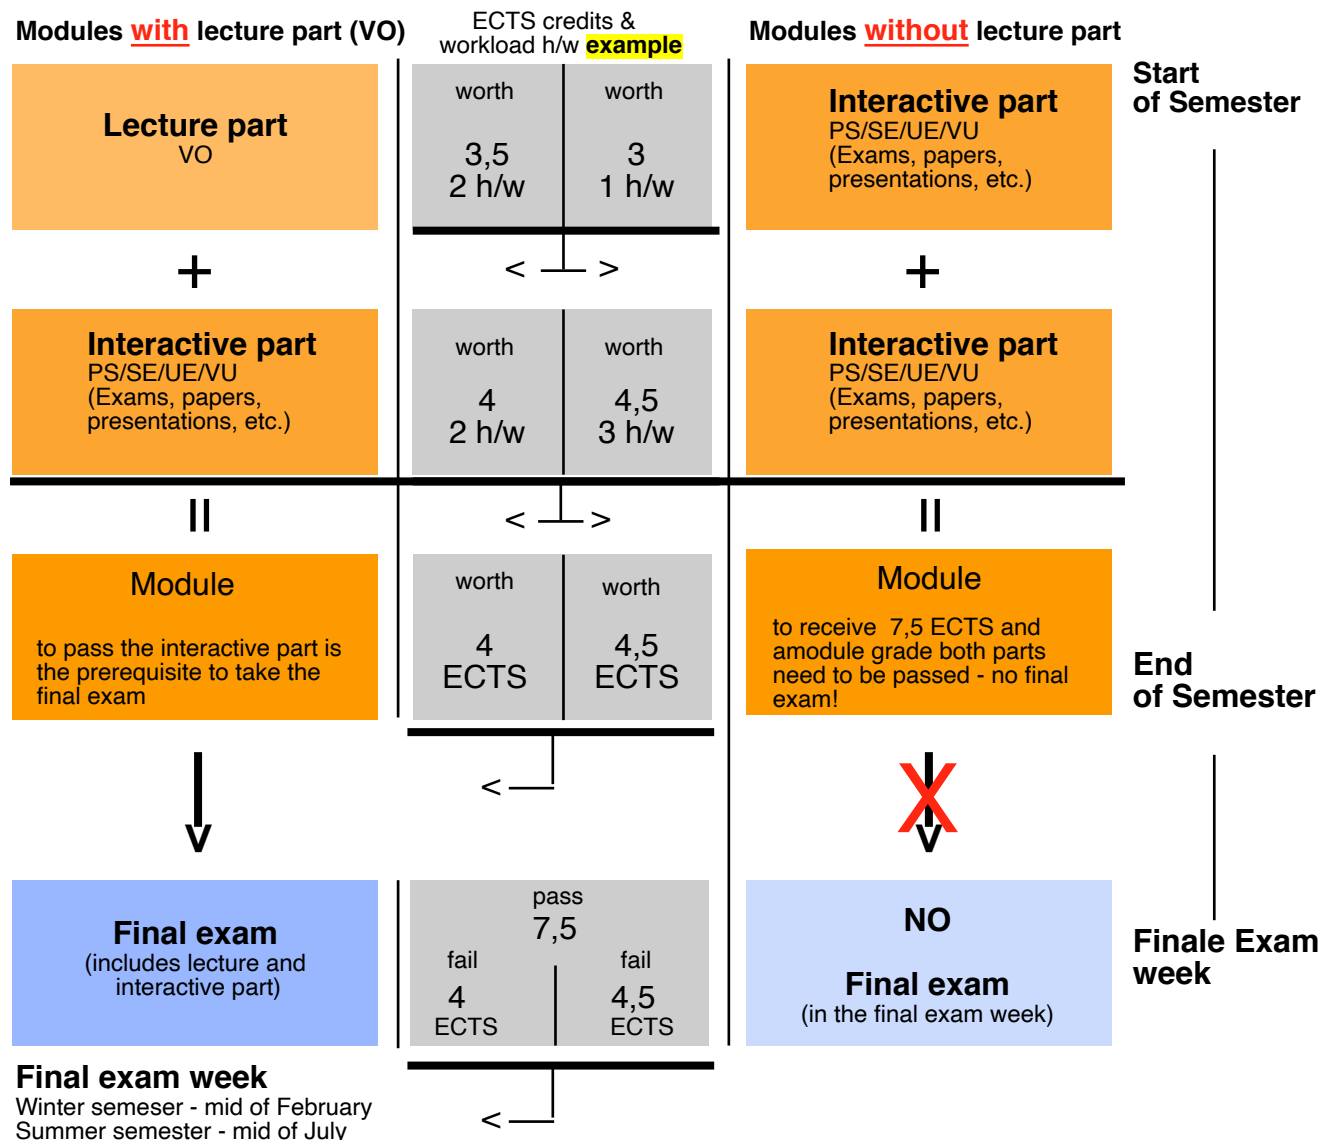

Every module consists of 4 hours per week. One academic hour is 45 minutes. Every module includes an input-oriented (VO = lecture) and an interactive part (PS/SE/VU/UE = proseminar/seminar) **OR** 2 interactive parts. All modules will be assessed by written exams and group works and/or oral exams. The student has to sit written exams (Klausur) in the PS/SE/VU/UE classes during the semester. PS/SE/VU/UE interactive parts have to be passed in order to be eligible to sit the final exam (Gesamtprüfung) at the end of the semester. Students passing the final exam (Gesamtprüfung) receive 7.5 ECTS credits for each module. The number of students in a module is usually limited to 30-40 students. Only a limited number of modules is taught in English. Modules **without** any lecture part (VO) **do not have a final exam**.

Modules taught in German require good command of German (B2 at least). We therefore strongly recommend to brush up German language skills!

Modules offered in the Basic Studies of the International Economic and Business Studies Programme ("1. Studienabschnitt" = 1st and 2nd year) are NOT open for exchange students - only with exception!

Attention: Exchange students need to take more than **<<CreditsGeld>> ECTS credits**.

Attention: German language courses at the ISI or courses at other faculties have a different course system

Master students - usually do not have lecture parts but two interactive parts. ECTS credits and workload is higher (usually 10 ECTS credits). Master students do not write exams in the final exam week. That means that the semester usually ends end of January/June. This also applies for **Bachelor student**, in case of no lecture part in the chosen modules

Accommodation:

To find accommodation is not easy. The demand is extremely high - and - to find private accommodation is not easy too.

We recommend students to apply at the ÖAD Innsbruck - which is the Innsbruck student house agency. Most of the student houses are under contract of the ÖAD.

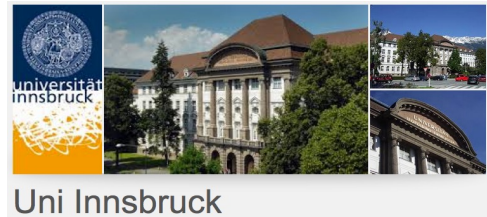

As only a **certain number of rooms are available** and the housing situation is not the best, students should apply as soon as possible. **WS - April, Mai / SS - October, November.**

- If students apply "very early" they have a big chance to get a room in the dorm they want to and/or get a single room, if desired
- The students have to pay an application fee (35,- euro), which is not refundable (exception: if no room would be available)
- This fee was introduced as students applied, cancelled, applied again, etc..
- As soon as the student has paid the application fee, the student receives a room offer with the request to pay the deposit, which is about 900 Euro, within 14 days.
- If the student does not pay the deposit within 14 days, the reservation offer will be withdrawn. In case the student has/wants to apply again he/she has to pay the 35 euro again.
- **ATTENTION:** The housing application procedure will ask you to upload your acceptance letter. As this document will be available for you much later you need to upload a document - as PDF - which confirms that you will be nominated from your university at Innsbruck university. (eg. nomination, nomination email, any other documents which confirms that you are nominated as a student for innsbruck
