

Календарный учебный график 2022-2023 г.

Table with columns for months (September to August) and days of the week (Pn to Сб). It includes a calendar grid with dates, day abbreviations, and symbols for holidays and weekends.

Календарный учебный график 2023-2024 г.

Table similar to the first one, but for the 2023-2024 academic year. It includes a calendar grid and symbols for holidays and weekends, with specific abbreviations like 'П', 'Д', 'Г' for certain days.

Сводные данные

Summary table with columns for learning components (Теоретическое обучение, Экзаменационные сессии, etc.) and rows for semesters (Курс 1, Курс 2) and totals (Итого). It shows the distribution of hours across different learning activities.
